OF THE

"MONEY MAKERS"

APRIL 4, 1970

OSKALOOSA, IOWA

SOUTHERN IOWA FAIRGROUNDS

Some of the good young bulls in the lots of Dr. and Mrs. Glenn Miller, Hannibal, Missouri. They are consigning two bulls and one heifer.

The 41st Semi-Annual

CENTRAL STATES

"Sale of the Money Makers"

OSKALOOSA, IOWA

SATURDAY, APRIL 4, 1970

40 BULLS

59 FEMALES

There is a reason why this sale has become known as "The Sale of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

GENERAL INFORMATION

TIME—The sale will be held Saturday, April 4th. The show will begin at 8:30 a.m. C.D.T. The sale will get underway at 12:00 noon.

LOCATION—Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

TERMS—Terms of this sale are cash unless other arrangements have been made with the consignor from whom you purchase and the sale manager is notified.

GUARANTEE—All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd, he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

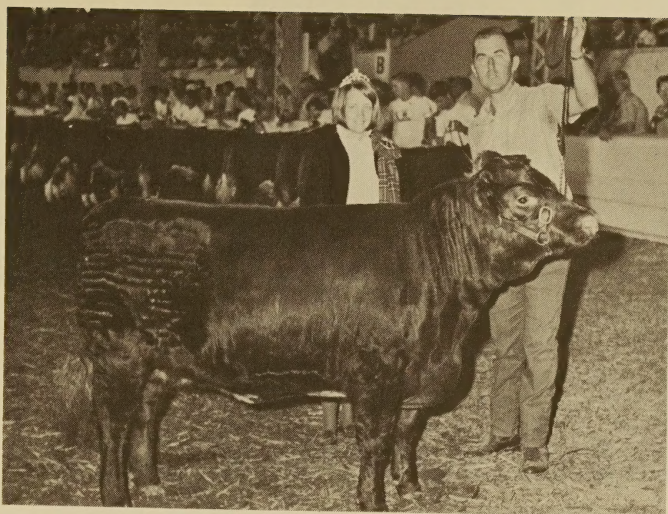

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

LUNCH—Lunch will be served on the grounds by the ladies of the Central Reform Church.

AUCTIONEER—Tom Sherlock.

SALE MANAGER—A.S.A. Sale Management (Bill Stunkel) 8288 Hascall St., Omaha, Nebr.

RINGMEN—Gene McDonald, The Shorthorn World; Arch Stone, Wallace's Farmer; Wayne Farnum, Victor, Iowa; Adrian Meierotto, West Point, Iowa; Gene Fitzgerald, The Drover's Journal.

Junior Burr holds a daughter of Allwood Renown that was 1969 Iowa State Fair Grand Champion. Her sire sells in this sale as Lot 1.

INDEX TO CONSIGNORS

Consignor	Lots

 Lots 98, 99, 100, 101 and 102

CHAMPION Reserve Champion

PAIRS

- CLASS XVII—Best Pair, Bull & Female, owned by consignor

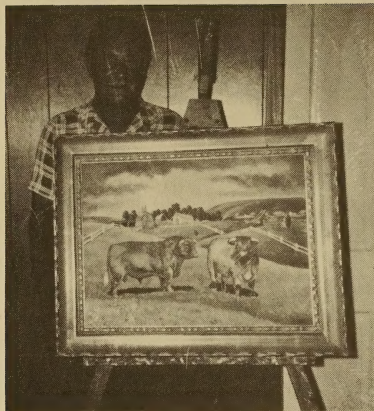

THE C. E. STEWART TRAVELING TROPHY will be awarded to the exhibitor of the champion bull.

THE J. H. WAKE FEED COMPANY TROPHY will be awarded to the exhibitor of the champion female.

THE MAHASKA FEED AND GRAIN CO. TROPHY will be awarded to the exhibitor of the champion pair.

THE OSKALOOSA CHAMBER OF COMMERCE will furnish ribbons to the class winners.

THE SALE MANAGER will award a trophy to the premier exhibitor based on total cash receipts.

A SHORTHORN PAINTING SELLS!

As has been the custom at these semi-annual sales, Harry Gohner, artist, will auction an original Shorthorn painting. Pictured is the painting that sold last fall. These are highly valuable works and would be an attractive addition to any collection.

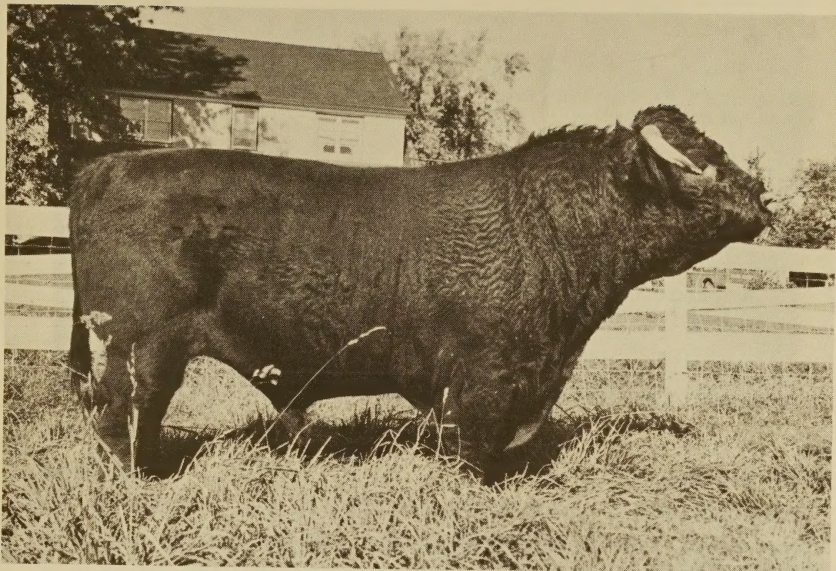

THE BEST EVER . . .

We are highly excited by this spring's offering. It reads like a "who's who" of the important blood of our industry. Selling is a highly successful sire of champions . . . sons of champions . . . half brothers to noted winners and important breed improvers.

This will be the largest female offering ever brought forward at Oskaloosa. If you are in the market for those hard-to-find Shorthorn and Polled Shorthorn females, you won't want to miss this sale.

Then look at the great offering of heifer calves. These are all eligible for 4-H and FFA competition. Past sales have produced numerous winners. Remember, too, that the Central States Shorthorn Ass'n, will upon notice to its secretary, Mrs. Wayne Farnum, Victor, pay \$10 to the exhibitor of a breed champion, purchased in this sale, at any 4-H or FFA show. **BE ON HAND AT THIS SALE AND PICK OUT YOUR WINNER.**

BILL STUNKEL, Sale Manager

Allwood Renown, Lot 1

LOT 1—BULL

Lloyd Burr & Son

ALLWOOD RENOWN 3160-174

Tattoo LJB P3F. Red. Calved February 21, 1963. Bred by Allwood, Thomasville, Georgia; owned by Lloyd Burr & Son, Lone Tree, Iowa.

Tolquhon Rosewood Rozel
Roan, John L. Sleight

ALLWOOD RENOWN—Probably as good a bull with as an outstanding a record that has ever been put through the Oskaloosa Sale. Allwood Renown has sired champions in the major shows of U.S. from Denver to Chicago. This past year we showed the grand champion female, reserve champion heifer calf and top group of six out of him. We are selling him only because we have such a large number of females in the herd by him that we can no longer pasture breed with him. We would like to reserve semen rights only, $\frac{2}{3}$ rds and possession of this bull go to his new owner. This bull is completely sound and very agile in every way. This proven sire is worth a breeder traveling a long way to see. He is by far a breed improver. A crop or two of females out of this bull would add a lot to any herd as he has helped our herd. We have production tested his calves and have been very satisfied. He has sired many champions and top selling sale bulls from Oskaloosa to the National Sale. Don't miss a real buying chance.

A C JUSTRIGHT 9th—By W L Justright. A good heavy boned bull with plenty of size and length. Dehorned.

C. A. Mallett Cattle Co., Miles City, Mont., writes: "Our cow herd contains 600 Angus and crossbred cows. Our entire sire battery is now Shorthorn bulls. We purchased Shorthorn bulls to get a better calving percentage, a heavier calf, and a better feeding animal. Shorthorn crossbreds wean about 10 per cent heavier than straightbreds of other breeds. I think the Shorthorn cross will eliminate a lot of the cancer eye and womb troubles of the Hereford."

THE PAY-OFF IS PROFIT

Shorthorn Bulls Are Profit-Packed!

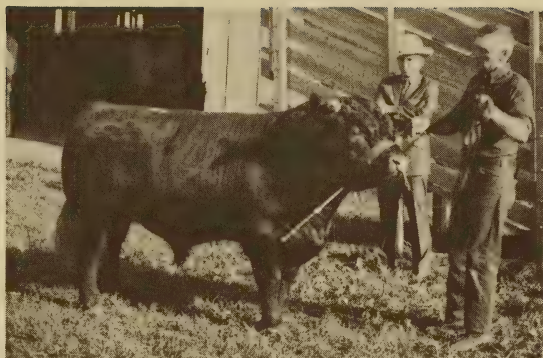

Ray Holder, Harrisonville, Mo., had an interesting experience with a Shorthorn bull a few years ago.

Holder used a Shorthorn bull on 20 cows of another beef breed. He used a bull of the same breed as the cows on 20 others.

Nineteen crossbred calves resulted. These were developed the same way and on the same feed as his straight-bred calves. At the end of eight months, when sold, the crossbreds averaged 189 lbs. more than his straightbreds and sold for the same price.

On last fall's market many crossbred Shorthorn steer calves sold for 40 cents a lb., and over, and a good many heifers sold for 35 cents a lb. A little arithmetic shows that, at these prices, the Shorthorn bull added \$75.60 to the value of every steer calf and \$66.15 to the value of every heifer calf. If ten of these calves were steers and nine heifers, the added return from using a Shorthorn bull was \$1,360.35 on just one crop of 19 calves.

Charles Plecker, consignor of two bulls and two females in this sale, holds his reserve champion and top-selling bull at last fall's Central States sale. Come to Oskaloosa for big, rugged, quality horned and polled bulls.

W L AKELEY—This son of Arrogant is one that could be one of the top bulls in his age class in the coming fall shows. His dam was sold last fall to Biggar Bros. of Ill. and for those that remember her she was one of the largest cows that was sold in the fall sale. Could recommend this bull to most anyone and worth your time and trouble to travel a good many miles to see.

THE SALE OF MONEY MAKERS

Oskaloosa has been nicknamed, and rightly so, "THE SALE OF THE MONEY MAKERS." Study the list of consignors... study the wealth of breeding in the consignments... refer to past sale averages at Oskaloosa. You will come to the conclusion that nowhere are more good "honest" bulls and females offered and at prices that the average farmer and breeder can afford to pay. Buy the breeding that has won at the International, National Western, Ak-Sar-Ben National and other top shows and sales in this District Sale event. While some breeds are being promoted into prominence, the Shorthorn breed is **PERFORMING ITS WAY** into the hands of more and more cattlemen. If you are not a Shorthorn breeder, join the ranks of America's most stable and dependable cattle breed.

SCOTSDALE ARROGANT . . .

Purchased as a yearling for \$10,100.
One of the biggest and best bulls of the
breed. Two sons sell in this sale and

ALLWOOD PRINCESS PAM—This cow has been a regular producer of top quality calves and we have kept her last daughter by Bondholder. She was bred to Arrogant, Oct. 26th. As well a bred female as you will find in any auction. A real good opportunity to add a royalty bred female to your herd for the start of a new family.

Shorthorn Carcasses Worth More

Recent feedlot and slaughter tests at the University of Minnesota's Morris and Rosemount experiment stations revealed that Shorthorn carcasses are worth as much as \$38.95 more than other English breeds.

These studies indicated the following statistics:

	Average Carcass Value Day of Age	Total Carcass Value
Shorthorns	\$0.80	\$325.12
Herefords	\$0.703	\$297.24
Angus	\$0.673	\$286.17

These figures reveal that the average Shorthorn carcass studied was WORTH \$27.88 MORE THAN THE AVERAGE HEREFORD CARCASS STUDIED AND \$38.95 MORE THAN THE AVERAGE ANGUS CARCASS.

Shorthorns Show Lean Meat Advantage

A recent test at the Holdenville, Okla., Bull Testing Station indicated that SHORTHORNS HAD THE HIGHEST AVERAGE POUNDS OF LEAN MEAT PER DAY OF AGE OF ALL BREEDS ON TEST.

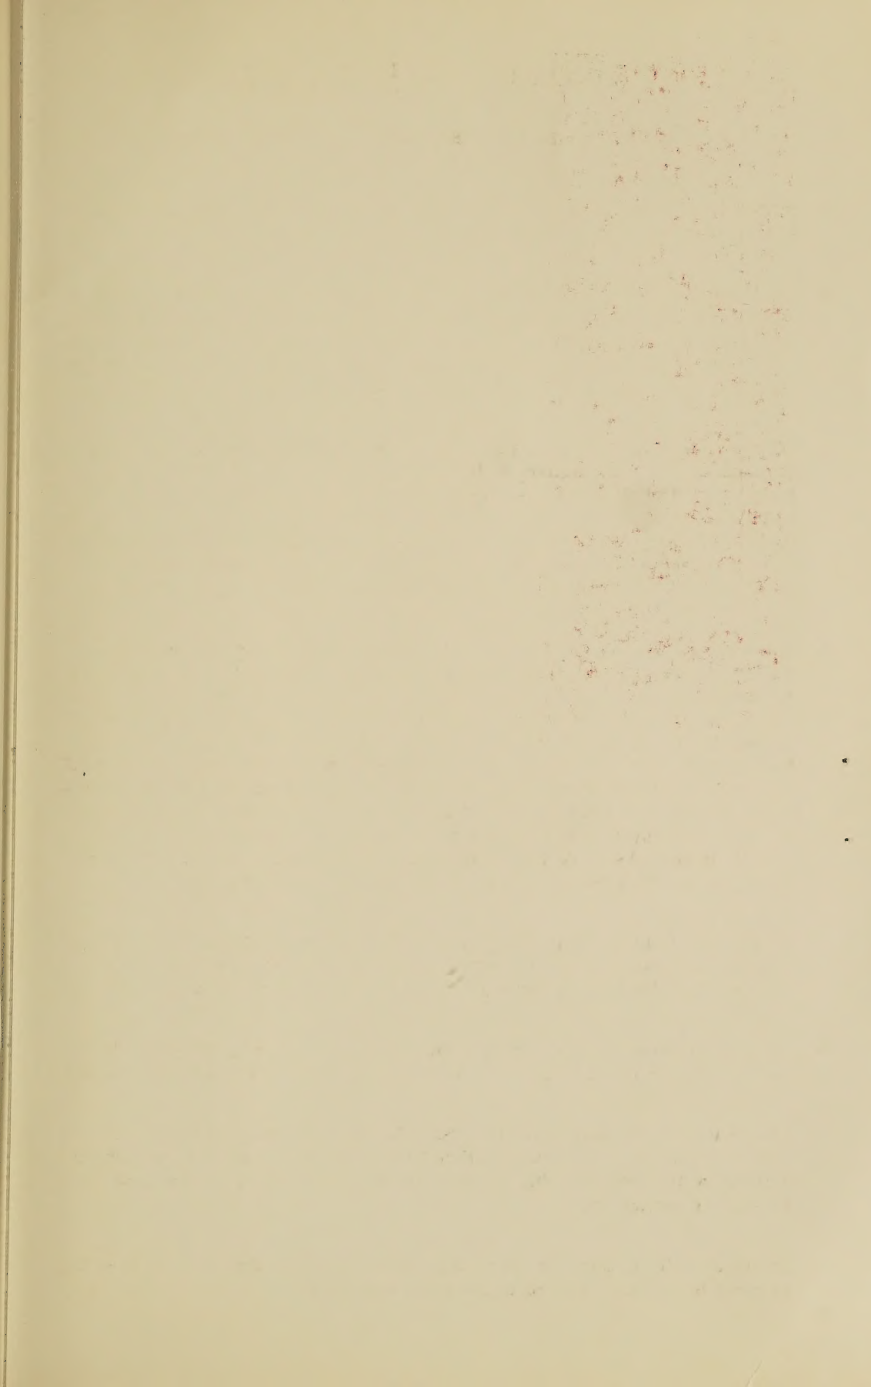

Measured in the K 40 Counter, a portable system that measures the amount of potassium in the animal (potassium indicates lean meat), the results showed:

Shorthorns92 lbs. lean meat per day of age
Red Angus83 lbs. lean meat per day of age
Angus81 lbs. lean meat per day of age
Polled Herefords70 lbs. lean meat per day of age
Herefords69 lbs. lean meat per day of age

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.
